I don't agree with Bingley being split down the main street. You speak about the identity of Bingley, but you will be damaging the identity of the Town by splitting it.

Items such as The Parish Church, The little theatre, Bingley Grammar School, the shops, Myrtle Park, the Saturday morning Park run, and the Band Stand will not feel to really belong to Bingley anymore. This area has a long standing boundary which you are in danger of destroying. We voted for the hard working councillors who are looking after the town. Please don't split us up.
