Related subject: Eldwick village

I do not support the idea of splitting Eldwick village between 2 wards. Eldwick is, and always has been, a community in its own right and needs to be represented as one whole by its own councillors. Eldwick is closer to Bingley than to Baildon so should stay in the Bingley area. Eldwick residents regard Baildon village as being further away and travel to Baildon in poor weather is not easy. Bus links run to Bingley but not to Baildon. Decisions made on behalf of the Eldwick village area are better made in links to Bingley, not Baildon.
