Dear Sirs,

It has come to my attention that The Boundary Commission is trying to split the community of Cottingley, This community has been well looked after by Local Councillors for Bingley. who know Cottingley well. They have improved drastically the parade and surrounding Area that has been designated to Shipley, The Local History Group based in Cottingley Town Hall shows the History of Cottingley That includes Cottingley as a whole, not a divided community. The Local Bingley Council are always available to all of Cottingley and it seems ridiculous that Shipley who has never been in the picture should try and get involved now, with so much area already that they have to control.

Our Postal address says Bingley, No mention of Shipley.

I hope that you will reconsider this seemingly un warranted change so that Cottingley can remain as one united village under care of Bingley Town Council.

Thank you
