Personal Details:

Name: [REDACTED]
Email: [REDACTED]
Postcode: [REDACTED]
Organisation Name: (Member of the public)

Comment text:

Related subject: Eldwick

The proposal to split the community of Eldwick and join with Baildon is ill-thought out and completely fails to recognise that Eldwick and Baildon are two quite separate and distinct communities. There is no public transport between them and they are separated by a large area of moorland. The whole of Eldwick should remain as part of the Bingley ward to which it has strong attachments.
