Dear Sir/Madam

I am writing to you to object in the strongest manner possible about the proposed splitting of Eldwick and absorbing most of it into the Baildon Ward.

In my opinion this is incredibly short sighted and is beyond belief. As a resident of Eldwick for over thirty years I find this worrying. Baildon is miles away from me and I would have to catch a number of buses to get there or drive, yet I can walk to Bingley very easily. I do all my weekly shopping in shops in Bingley as it is my LOCAL town, Baildon is not. Eldwick should not be split at all. It is part of Bingley and has been for decades. Thus, I for one, totally oppose this splitting of Eldwick.

As you can see, I feel very passionately about this, so much so I am emailing to have my say. Eldwick is a community I feel safe in, have brought up my child in and have supported for decade by taking part in various events.

Kindest regards.
