Comment text:

I understand there is another campaign to split Eldwick between Bingley & Baildon, I as a resident of Eldwick for the past 28 years and I am totally opposed to this, I am carer for my special needs daughter and currently able to cast my vote locally (the basic right of every British citizen), if Eldwick were to be split and my home to fall in the Baildon district I would find it extremely difficult to do this having to cross Baildon moor with NO DIRECT PUBLIC TRANSPORT.

I look forward to your registering this very genuine concern
