As a resident of Cottingley I do not feel the split of the area between Bingley and Shipley will be of any benefit to the community. As a community we have strong ties with Bingley and feel very supported by Bingley Town Council and also our ward representatives. I do not think that creating a split within a community is any good for cohesion, part of the community will continue to feel that support we have become accustomed to and others will feel perhaps lost and confused and struggling to achieve representation as they do not know or trust those supposedly representing them.
