Please do not split the Bingley town community to suit Baildon.

I live by Myrtle Park and am definitely in the town, not one of the villages. As a member / volunteer of various groups in the town I value the fact that our ward councillors are able to help to bring projects together to benefit the town. Priorities for such as Cullingworth, Wilsden and Harden are naturally different.

Please respect the community of Bingley town and return to your original proposal.

Extend the proposed Eldwick & Baildon boundary to include the following streets: Southway, Moor Croft and Stone Hill. This would mean that Warren Lane would become the clear boundary between Bingley Ward and the Eldwick & Baildon Wards two wards.

I agree that it is time that a public transport service should connect Eldwick and Baildon.

Resident of Bingley town
