## Comment text:

Dear Sirs,

Eldwick is “attached “ to Bingley.  
People who live in either Bingley or Eldwick class the whole area as one!  
Eldwick being joined with Baildon will be seen by the Eldwick occupants as being “downgraded”.  
Baildon in past years was classed as “the place “ to live.  
That is no longer the case, Bingley and Eldwick is where people now aspire to live .  
This maybe the reason why Baildon want to be associated with Eldwick.  
I do not agree with this  
non sensical proposal.

Regards
