## Comment text:

**Related subject:** Bradford

I think Queensbury is too big for it to be classed as Queensbury if it covers Mandale Road and Cooper Lane, so I agree with your further recommendations because those areas do not represent Queensbury, however, I think Wyke is now too big on your new boundary suggestions. I also think that Eldwick is considered to be part of Bingley as I know someone who lives there are they use Bingley for shopping rather than Baildon and your further update to Baildon to include more of Shipley makes sense as Shipley is more of a town and should be represented alone, so I am mostly in favour of your changes.
