Comment text:

Related subject: Eldwick

I live on Spring Lane and hardly ever go to Baildon. I run/walk on Baildon Moor but never use the shops or facilities in Baildon itself. We always walk down into Bingley and use the facilities there (including the shops and Bingley station).

It is actually very difficult to get across to Baildon from Eldwick without a car.

For this reason only I propose Eldwick stays with Gilstead and Bingley (rural).
