Organisation Name: (Member of the public)

## Comment text:

Just heard of a new proposal to split Eldwick and jettison most of it into Baildon Ward.

What on earth has Baildon got to do with Eldwick?

Why does anything have to change?

Who benefits from this change?

Eldwick is close knit community but also a big part of Bingley. To move any part of it into the Baildon Ward just beggars belief.

This cannot be allowed to happen.

[REDACTED]

Eldwick Resident
