## Comment text:

I am writing to object the move to divide Bingley into Bingley East and Bingley West

I live in Gilstead, and I volunteer with Gilstead Village Society.

We are doing our best to help the beating heart of our local community to continue and revitalise Bingley, I strongly object to the idea of dividing us through the middle.

I support moving Eldwick into the Baildon ward, which makes far more sense in terms of community and representation
