Organisation Name: (Member of the public)

## Comment text:

**Related subject:** Bingley East

I feel this is a happy medium, Eldwick should be part of Bingley, Baildon should be a separate ward. Neither should be put together, not ever, there is too much distance between them with absolutely no public transport links. We live in Gilstead and we always shop in Bingley, we never go to Baildon to go shopping.
