## Comment text:

I want to object to the proposal to split Eldwick across the Bingley and Baildon wards.

Eldwick has a multi century history and it is ridiculous to tie this village to another one that has no links to it and which is divided by a significant moorland area.

There is no benefit I can see to splitting us away from the Bingley Ward. Were we to be split the red tape and administrative costs will only increase.

We are fine as we are and as far as i am concerned Baildon KEEP OUT.
