Good Afternoon

I am resident of Eldwick, [REDACTED], I am writing to register my very strong objection to splitting Eldwick from Bingley Wards, and joining the Baildon Ward.

The so called proposal to be included in Baildon Ward, and split from Bingley, makes absolutely no sense at all. Having lived in Eldwick for just over 7 years, I fail to see any benefit from splitting from Bingley and joining the Baildon Ward, all the facilities I use are located in Bingley, Gilstead and Eldwick.

In fact, I have never felt the need to even visit Baildon apart from the occasional walk to Baildon moor.

I therefore register my strong objection to this proposal, and request that Eldwick remains in the Bingley Ward.

Best Regards

[REDACTED]
