**Related subject:** Eldwick and Bingley

Following my previous correspondence re the proposed boundary changes in Eldwick and Bingley, I am pleased that you have supported submissions from residents, community groups and Bingley Town Council and now propose that Eldwick should remain whole within a Bingley ward. This makes far more sense than dividing the community of Eldwick into two areas.

I give my support to the whole village of Eldwick remaining within a Bingley ward but cannot agree with Eldwick being divided between Bingley and Baildon.
