## Comment text:

I would like to express my concern on the changes to cotingleys boundary, making parts of Cottingley into the Shipley ward, this is just wrong as we are part of Bingley Rural and should be kept that way. There is no good reason to split our community by putting half of Cottingley in Shipley and half in Bingley, I strongly object to this hair brained idea, had I wanted to live in Shipley I would have bought a house there
