

# Bradford

## Personal Details:

Name: [REDACTED]  
Email: [REDACTED]  
Postcode: [REDACTED]  
Organisation Name: (Member of the public)

## Comment text:

**Related subject:** Cottingley

My objection to the proposed boundary view is that arbitrarily splitting Cottingley does not support community cohesion and the continued development of Cottingley's identity, community and historical links. As an original resident of the Lysander/Oberon development we have always been an active part of the Cottingley and Bingley communities, and have never had any association with Shipley.
