The new houses at top of Cutsyke around the Bruce Smeaton Way area, are within the Featherstone Parish boundary, and we pay money to Featherstone Town Council but I don't think we actually benefit from that payment at all. If we're not going to be in a ward with Featherstone, the Parish boundary needs changing really. I'd be happy to not be in same ward as Altofts as it's nowhere near us and part of a different town. But we're not in Glasshoughton, or Central Cas here either. We need more facilities and support in Cutsyke, so maybe Featherstone Town council could provide that as they are supposed to when we are technically residents of that parish and pay towards it on our council tax bill. I think some of the other changes to wards look like strategic moves to reduce the impact of two of the most politically active (and specifically council opposing) neighbourhoods in the district, i.e. Altofts and Airedale. Whitwood should stay together with Altofts.
