**Related subject:** Altofts/Normanton Ward 3

I strongly object to the proposed boundary changes, many people who may have to move from the Altofts to Normanton ward feel very angry, they have lived in the Altofts Ward all their lives you are now proposing to make them over to Normanton ward. Altofts is a village, the same problems and concerns affect us all, we need the same MP to deal with them. Maybe if they weren't building so many excess houses in Altofts it could stay as it is, please don't stick another nail in Altofts coffin
