Changing the name from Homesteads to Stanford North will be very confusing for many people. It's something we will all have to get use to if it was to change. Homesteads is well known to everyone and that's why the village hall along Dunstable Road is called the 'The Homesteads Village Hall'. If it changes to Stanford North then everything else will have to have a name change especially the village hall being Stanford North Hall. That's just silly. Please keep the Homesteads name to save confusion. Thankyou.
