**Related subject:** Homesteads

The Homesteads still needs its 3 councillors .

The Homesteads is an area in both Corringham and Stanford-le Hope which is like as seperated from both by the Southend Road ,it is unique ,it has no town centre ,no transport links(bus route diverted to Corringham town centre)) and no Council Housing and no schools .

It has thousands of residents and they need their right to vote and their own Councillors to represent this area as a seperate identity with its own issues ,not tied in with Stanford-le-hope or Corringham which it has no link to !
