Related subject: The Ward of Aveley and Uplands

During a local community forum meeting for Aveley & Kenningtons I was informed that the council propose to redraw the council ward boundaries. Had I not attended this meeting I would not be aware that the council intend to move the ward boundary so that my home will no longer be included in this ward. There has been no formal or releant nformation provided to our address and this is unacceptable. My home has been in my family for almost 70 years and has always been part of Aveley. Every facility we use is in Aveley, not in Purfleet and I cannot understand why there is a need to change the ward boundary.
