Why waste time asking for reviews. The new wards are already divided out as per your suggestion. Otherwise, why would the Ocado facility be called Purfleet on Thames? Why is the new proposed building on the old Fire Brigades sports ground listed as Purfleet on Thames? I believe that for the sake of 200/300 residents from the bottom of Purfleet Road and London Road beyond the A13 crossover, moving away to Purfleet on Thames, they should be allowed to stay where they have been for many years in the Aveley and Uplands Ward.
