Prefer the proposal to include Kirkheaton within the ward which includes Almondbury and Lepton. Kirkheaton schools feed into King James secondary school which also takes from Almondbury and Lepton schools. People from Kirkheaton also use shops in this ward eg Morrisons and the retail park at Waterloo. It is true that Dalton ward sits at the bottom of Kirkheaton but so does Almondbury Ward, there is no greater connection to this part of Huddersfield in my view.
