## Personal Details:

Name: [REDACTED]  
Email: [REDACTED]  
Postcode: [REDACTED]  
Organisation Name: (Member of the public)

## Comment text:

**Related subject:** Birstall

I am unclear as to how this impacts on Birstall, the part of which I live in is part of Dewsbury and Batley while close neighbours fall in another boundary.

My view is that Birstall in entirety should sit together rather than the current fragmented approach.

This allows for cohesive support and management of issues

I was not aware of any consultation regarding the original change to boundaries so would suggest better communication
