Comment text:

Related subject: Spring place Court

I would strongly object to my address being moved to a dewsbury constituency. I am a lifelong resident of Mirfield and associate strongly with Mirfield through my work, my social life and my networks. I would have never moved to dewsbury so I would wish my Mirfield address and my Mirfield vote to be used as my voice in my area which is Mirfield. All my children are educated in Mirfield and that is my home community
