I think it is an absolutely terrible idea to remove Jesmond Vale from the Jesmond ward. Clearly, this has been proposed without any consideration to the daily lives of people who live here.

ALL amenities available to the residents of Jesmond Vale - GP practices, pharmacies, shops and schools are within the Jesmond ward. We are part of the Jesmond community and have no wish for that to change. The A1058 is not a natural and strong boundary, as was clear from the opposition our community had to the bollards instituted during the low traffic neighbourhood which essentially isolated us from the rest of Jesmond. We must continue to have the ability to decide and opine on what is directly affecting us and services in Ouseburn and Shieldfield are not local to us.

As a resident of Jesmond Vale, I strongly oppose the change to the Jesmond ward boundary which would exclude my direct neighbourhood from the ward which contains ALL of my direct amenities and services.

Not to mention that since the disaster of the LTN I had subscribed to receive updates about changes such as this proposal and somehow this has been omitted. Yet again. About initiatives that directly affect us.
