I think I must be the resident quoted as arguing for Harrison Place, Gladstone Terrace, Chester Street, etc to be moved out of South Jesmond ward.

For the reasons previously stated, I support the proposed boundary change to move and reunite this area of Shieldfield into the new ward and agree with the change of name. The streets here look towards Ouseburn and Heaton as neighbouring areas of community equivalence, not towards Jesmond. Jesmond Road, and even Sandyford Road, are a natural boundary.

As a resident of 40 years standing, I think the suggested change is a common sense approach, which I totally recommend.
