I strongly disagree with the proposed boundary changes for Jesmond Vale. I have concerns that this will affect the area negatively, impacting on numerous factors, including house prices, school admissions, GPs, dentists, leisure centres, shops, library's, and more! As someone who makes a conscious effort to support local businesses, especially those within the Jesmond area, I worry about the damaging and long lasting impact this will have on said surrounding businesses. If these plans were to go ahead, residents of Jesmond Vale would no longer have a say into future plans which impact on Jesmond, an area which residents here care deeply about and contribute to greatly. I believe this divide would impact both communities negatively, economically and socially.
