## Comment text:

I strongly believe Jesmond Vale should remain part of Jesmond, it's much closer geographically to Jesmond - literally across the road to access local businesses such as Rehills, Pinetree Gym, The Punchbowl etc. and a 10 minute walk up to Acorn Road and Osbourne Road with all its amenities. As a resident of Salisbury Gardens, I very much feel part of the Jesmond community and spend much of my time in and around this area, including Jesmond Dene. The recent traffic bollards very much affected the area in which I live, particularly with the bad traffic it caused on the road along to the Jesmond metro. To be removed from this ward would mean having no say on future issues like this which are on my doorstep. I rarely go to shield field or Heaton as the amenities there aren't generally as good quality and are further away. I also have a concern about the impact on house prices if this area is rebranded, I moved to the area last year and paid a significant premium for my home as Jesmond is a desirable area. I don't see there would be any benefit for residents of Jesmond Vale if the ward was changed, I'm strongly against it and ask the council to take these views seriously.
