Organisation Name: (Member of the public)

## Comment text:

**Related subject:** Minorities

Hello,  
Further to the proposed new divisions of the Council - The area of the Minorities is geographically more in Jesmond than the Ouseburn area.

The Minorities defined by the Dene's steep sides is socially much more connected to the Jesmond Area.

It would make more sense to me as a resident to be politically linked to Jesmond.

I hope you're still receiving observations and will take this on board
