Please explain what problem you are trying to "fix" but severing Jesmond Vale from
its current ward? Jesmond Vale is irrefutably part of Jesmond. It is served by the cradlewell shops, restaurants and schools in Jesmond North of Jesmond Road. It is an integral part of the Jesmond community. It literally includes "Jesmond" in its name. I strongly object to excluding Jesmond Vale from its current Jesmond ward. This move simply serves to divide a community. What could the possible motivation be for this? Please reconsider. You have offered no logical reasons for making this change.
