Dear Sir/Madam

I would like to support the proposal to create a Brookfield & Trimdon ward and the ward boundaries that you propose.

They make a lot sense from a community point of view and create an electorate of the right size going forward.

I also think your proposal to put Stainton and Stainsby Hall Farm together makes sense in creating a two-member ward to serve that area.

I have had to step down from chairing the Trimdon Ward Community Council as I am undergoing treatment for heart disease, but as you indicate your proposal is largely in line with what we proposed when I was chair.

Thank you for your hard work
