## Comment text:

**Related subject:** Kader ward

Regarding the new proposed expansion of the Stainton & Stainsby Hall Farm Ward to now take significant parts are of Trimdon and Kader Ward. As a lifelong resident of Acklam and living on Mosswood Crescent for the last 24 years I cannot express in strong enough terms that I have no association with Stainton. The fact that this proposed expansion takes over the green spaces, green belt, village green and woodland that has been within Kader, & Trimdon Wards is deeply concerning. I would urge the Commission to review this with the utmost urgency. The residents of Kader and Trimdon will potentially suffer at the hands of politicians as a result of this misplaced boundary. Thank you in advance for your time in this regard.
