**Related subject:** Trimdon ward

I have been a member of the Trimdon ward since my house was built in 2016.

Throughout this time our local councillors have strived to provide an excellent service for my local area. I have sought advice and support from them on a number of occasions. As they live in my ward, they are passionate about creating and sustaining an area we can be proud of. I strongly object to the boundary changes as this would have a negative impact on my local area.
