To the LGBCE,

I would like to give my strong opinion that I think it would be good to have Borrowby Rise and Plantation View to join the rest of Grey Towers Village in the Nunthorpe Ward, as these roads already are in the GreyTowers Village Development.

I most certainly DO NOT want Greytowers Vlliage to be removed from Nunthorpe Ward and transferred to Marton, as the Marton area is at least a Mile away from Greytowers Village and indeed ends at the Southern Cross Pub and Crossroads.

Kind Regards
