Hi,
Having reviewed the boundary options, I believe that both Borrowby Rise and Plantation View should be within the Nunthorpe Ward along with the rest of Grey Towers village. It makes sense for all properties within the village to belong to the same Ward for practical and representative reasons. Also when we purchased we were led to believe that the whole village was classified as Nunthorpe. It came as a surprise to later find out that this was not the case, Regards, [REDACTED]
