**Related subject:** South West Middlesbrough

I am against Stainsby Hall Farm (SHF) being associated in these changes with Stainton. Stainton is separated from SHF by a major dual carriageway, A174 & there is no safe or easy pedestrian access to Stainton from SHF.

I feel more associated with the Trimdon, ward as we have easy pedestrian access to the local shops & GP surgery in that area? We also have good representation by local councillors, Christine Cooper & Dennis McCabe who take an active interest in issues at SHF.

I feel that the proposed changes do not take into account the feelings of local residents & it seems as though it is more of an exercise in playing with numbers rather than taking care of residents.
