**Related subject:** Kader/ Stainton and Stainsby Hall Farm

I see there is a proposal to transfer a small part of the Kader ward to Stainton and Stainsby Hall Farm ward (between Bluebell Beck and Mosswood Crescent). I object to this because as we all know there are proposals for a lot of new housing in the Stainton and Stainsby Hall Farm ward and I admit that I am not sure who decides these proposals (the borough council or the ward). But I think it is the thin edge of the wedge and I would prefer that this border does not come right up to my front door.
