**Related subject:** Stainsby Hall Farm

I can see you have separated Jack Simon Way from the Trimdon ward due to lack of shared amenities and roads etc.

Why then is the Stainsby Hall Farm area in the same ward as Stainton? We're separated by the A174 and I believe we should get our own amenities for the area.

Yes there is that farm road but no one's actually sure if we're officially allowed to use it.
