## Comment text:

Good afternoon,

I am writing to convey my dismay at plans to change the houses in Grey Towers Village from the Nunthorpe ward to the Marton West ward.

I would not like this change to occur and hope that Middlesbrough council leave us in the ward we are currently in.

I think this would have a negative effect on houses prices and will affect the school choices for my young son in future.

My address is [REDACTED]

Kind regards,

[REDACTED]
