**Related subject:** Trimdon Ward

I am writing with objection that our current ward Trimdon Ward could potentially changed to Stainton Ward.  
I live in the Trimdon Ward and am very happy with the current councillors we have. They love local and understand the problems that going on in the area and act upon them quite promptly.  
How can a councillor from another area act on our behalf?  
I feel strongly about my objection and would appreciate staying within the Trimdon Ward  
Thank you
