## Comment text:

Good morning

Further to the information supplied on the current above review. I feel I would like to give my personal opinion.

Currently as I understand it, Borrowby Rise and Plantation View are part of the Marton West Ward. Both the above locations are part of the rather large Grey Towers Village Development. Whilst I do not live on either of these above roads, I do live on the Grey Towers Village Development. We are part of the Nunthorpe Ward. It makes logical sense for the two areas in question to be transferred to the Nunthorpe Ward in line with the rest of the development.

We purchased our property less than two years ago knowing we would be part of the Nunthorpe Ward.
