## Comment text:

I wish to submit my objection to the changes to the current Trimdon ward. I am a resident of the Stainsby Hall Park estate and wholly object to being moved into a very large Stainton and Thornton ward. We live in Acklam and associate with Acklam's facilities and area as a place to live. We have nothing to do with Stainton as it is a totally separate area to us. Our councillors are fantastic at helping to resolve issues in the Trimdon area and I fear this would not be the case should we move to a single councillor, particularly in such a large ward as proposed.
