The new plans to change the ward boundary is absolutely ludicrous. Part of me isn't shocked at all at the back door tactics to build on the green spaces of this ward. Green spaces that the residents have fought hard to keep. Green spaces that has wonderful wildlife. By changing our green spaces to Stainton Ward it's taking our green spaces further away from us as any future proposals to build/put roads through our green area will fall to Stainton Ward and people of Stainton won't be affected by the changes. Absolutely horrendous behaviour from a Council that doesn't care at all about the people of the town. Just a way to bail them out of more debt by increasing council tax.
