**Related subject:** Trimdon Ward

I live in Acklam for 60 years and Stainsby Beck has been our boundary line all these years for Thornaby / Middlesbrough historically. Therefore, I do object to the proposal of Trimdon Ward boundary changes. I strongly feel Stainsby Beck should remain the same with us with no changes whatsoever.

Furthermore, Saffwood beck is another strong boundary line and should remain too. It has given the residents including myself lots of good mental health especially during Covid situations.

In conclusion, there should be no boundary changes and let Trimdon Ward remain in control of existing boundary in question.

Your consideration and attention to the above matter will be highly appreciated.

## TRIMDON WARD BOUNDARY CHANGES

DO YOU REALISE THAT THE NEW BOUNDARY CHANGES AFFECTS ALL THE GREEN SPACES AND MEADOWS IN OUR AREA.

The Boundary Commission (people in London) are planning to change your area. It is planning to chop large areas of your green space and hand it over to another ward (Stainton)

The proposal is for our ward boundary to run from Gayton Sands along the footpaths at Dornoch Sands, Luce Sands, Curthwaite, Stotfold Walk, Newfield Crescent instead of Stainsby Beck.

This would put any representation of our GREEN SPACES, VILLAGE GREEN & WOODLAND in the hands of Stainton Councillors.

Please help stop this madness and put in your objections to the Boundary Commission in the links below.

For more information and to have your say on these draft recommendations please go to the boundary website at:- <https://www.lgbce.org.uk/all-reviews/middlesbrough>

Or Email: [reviews@lgbce.org.uk](mailto:reviews@lgbce.org.uk)

Or write to review officer (Middlesbrough), LGBCE, PO Box 133, Blyth, NE24 9FE

This information is delivered by your present ward councillors: Dennis & Christine contact us on our FB page Cllr's Dennis McCabe & Christine Cooper for Trimdon Ward
