I do not agree to the transfer of De Brus Park, where I live, to the Nunthorpe Ward. I can see no logic in the transfer and goes against electoral balance. This area is not linked to the Nunthorpe Ward other than informal pathways and considerable effort to integrate us with the Marton Neighbourhood plan work has just been finished and would be lost. This seems a wholly unnecessary change and leaves us in a parish area with a precept from which we are extremely unlikely to benefit.
