

Hello,

My name is [REDACTED], I have completed the template that Councillor Young as a great idea. I also wanted to make you understand why we should not lose our name of Acklam. I was born in France and at the age of 3 years old, I was shipped out to live in Sunny Middlesbrough, the first address was [REDACTED] Grange Road Middlesbrough. At the age of 8 the Council made a compulsory purchase order and my aunty had to look for another property. That second address was [REDACTED] Heythrop Drive, Acklam, Middlesbrough, Teesside. We moved in and used the local schools, ST Clares, St Georges, I went to Acklam Sixth Forth College.

All My family in France know my address of by heart, yes, my real mother died when I was 3 years old, and we were 4 sibilings, two stated with my father in France and 2 were sent to live with his sister, Celia Torre, she was a first-generation immigrant in the UK (me second generation), she married a Catalan John Garcia. We were the first foreigners in a residential area in Heythrop Drive, Acklam. We lived in the middle of a Police residential estate. We were safe and sound and what parties we had at Christmas.

We lived in Acklam, when someone asked us where do you live we shouted loud and proud ACKLAM, oh that is a posh area. I am now 60 years and continue to live in Acklam at [REDACTED] Heythrop Drive I have 3 dogs who need the fields to walk on and feel free and I am not afraid of those fields.

The farmer used to grow its potatoes near the houses parallel to Heythrop Drive. One day I went with my doll's pram, and raided my uncle's collection of bread bags and raided the farmers field of its potatoes, I then delivered a bread bag full of stolen potatoes to the houses in my street Heythrop Drive.

We used the local bus services and asked 'does this bus go to Acklam. We would use the Acklam shops, I even worked at the age of 16 years in the local Fish and Chips shop at Acklam Shops.

Ayresome is where the old Middlesbrough Football Stadium used to be. Its not Acklam. I was working away from home, and was completely out of the loop for the last Boundary Commission, but this time, I have been informed and I will plead please keep the fields in Acklam, please keep my Address as part of Acklam.

I have kept all my letters from my family and there handwritten envelopes with Acklam on it.

The green spaces need to stay within our boundary, we are trying to save our green spaces our Mandal Meadows, the people of Stainton and Thorntree, don't have the memories that we have and this is my home, please allow me to protect the green spaces not for my dogs only but the next generation. I saw a white tail deer the 3 weeks ago, my heart was filled with Happiness who will protect those wild animals' people who live on the other side of the A174.

Please keep me in Acklam, even if it is Acklam North.

Cheers
